ORDER:

In the reference 1st read above, Government have granted permission for the drawal of 1236 Kilo liter per day of water from River Godavari just downstream of Tadipudi Major Lift Irrigation Scheme by M/s.Sri Teja Bio Fuels private Limited, Annadeverapeta, Tallapudi(M), West Godavari District for a period of five years for consumptive use for industrial purpose, subject to concurrence of the District Collector, West Godavari, Pollution Control Board and payment of water rate/royalty as per G.O.Ms.No.39, I&CAD(PW: QC&IWS/COD) Deptt.,dt:02.04.2002 and also certain conditions mentioned therein.

2. In the reference 4th read above, the Engineer-in-Chief(Irrigation), Hyderabad has requested the Government for issue and communication of renewal permission for drawl of 1263 KLD or 0.516 cusecs of water just D/s of Tadipudi Major Lift Irrigation Scheme from River Godavari to M/s. Sri Teja Bio Fuels Private Limited, for a further period of 10 years for consumptive use subject to the concurrence of District Collector, West Godavari and the clearance of Pollution Control Board.

3. Government after careful examination, hereby accord renewal permission vide reference 1st read above, for drawl of 1263 KLD or 0.516 cusecs of water just D/s of Tadipudi Major Lift Irrigation Scheme from River Godavari to M/s. Sri Teja Bio Fuels Pvt.Ltd., Annadeverapeta, Tallapudi(M), West Godavari District for a further period of 10 years w.e.f. 01.05.2013 for consumptive use, subject to the concurrence of District Collector, West Godavari and the clearance of Pollution Control Board, subject to the following terms and conditions:-

- 1) Annual requirement of 1263 KLD (0.516 Cusecs) of water can be spared from downstream side of Tadipudi Major Lift Irrigation Scheme 1st June to 31st December only. During the lean period i.e. from 1st Jan to 30th May water would be spared subject to the availability of water in Godavari River. The agency cannot claim it as a right.
- 2) The water drawn from the canal should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation of the permission without any notice & liable for imposition of penalty.

P.T.O.,

- 3) The entire cost of Infrastructure to draw water shall be borne by the industry only.
- 4) Water meters or suitably approved digital measuring devices should be installed by the industry at their own cost to measure the water consumed and water measuring devices should be kept under the control of Irrigation & CAD Department and the representatives of the user shall be present at all times for taking readings.
- 5) The industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty the permission to draw water shall stand cancelled.
- 6) No field bund or pipeline shall be taken through or along with Government land without approval of Government and if permission is accorded by the Government, the lease of Government land should be paid as fixed by the Government only.
- 7) The industry should obtain the prior concurrence of concerned Department for laying pipeline and for crossing etc.
- 8) The industry should make their own arrangements for supplementation of water in their premises only.
- 9) The industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural resources. They are also requested to take action as per Pollution Control Board letter No.1245/APPCCB/RO-ELR/2013-3273, dated:17.06.2013.
- 10) The Irrigation & CAD Department reserves the right for cancellation of the permission without assigning any reasons thereof.
- 11) The Irrigation & CAD Department is in no way responsible of non-supply / Non Availability of water due to any reasons in any particular water year and lean period i.e. from 1st January to 30th May.
- 12) The Industry must strengthen the canal margin 100 Mts. on either side of the proposed off take point to avoid slips, erosion of banks and to protect existing margins as directed by the Department.
- 13) The industry should lay the pipeline duly leaving not less than 1.00 Mts. from the toe of the flood bank.
- 14) The industry has to construct CC walls to avoid leakages at pipe line crossings.
- 15) The industry should follow the Revenue Board Standing orders (B.S.O).
- 16) The industry should pay security deposit at 2.5% on 10 years water charges for which permission is granted.
- 17) The permission accorded shall be for a period of 10 years only. The permission shall have to be renewed well in advance before the expiry of the permission.

- 18) The Industry shall pay one year water charges as advance and amounts due to the Department before entering into agreement.
 - 19) The industry should make its own arrangements creating storage facilities for the requirement of water for the period from 1st January to 30th May in their premises only.
 - 20) The present rate of royalty charges as per the G.O.Ms. No.39, I&CAD(PW:QC&IWS/COD) Department, Dated:02-04-2002 is Rs.4.50 per 1000 gallons for consumptive use. The water royalty charges are likely to be revised by the Government from time to time and the industry shall pay the revised rates as fixed by the Government from time to time.
 - 21) The firm has to pay the water charges for the estimated quantity in advance at the start of the Financial Year (i.e) before 10th April every year as per BSO.
 - 22) The consumptive utilization of 1263 KLD (0.516 Cusecs) of annual requirement as required should not be exceed under any circumstances.
 - 23) A detailed plan showing the location, the intake arrangements, conveyance system etc., shall be furnished to the Department.
 - 24) The industry shall abide any other conditions laid down by the Government/ Department from time to time.
 - 25) The permission does not confer any riparian right to the industry.
 - 26) Non adherence of the any of the conditions by the industry entails cancellation of the permission.
4. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.
